**Model: TRC84FG & TRC84CG 10-Pan Refrigerated Condiment Rail**

**Standard Features Design**

ThermalRite Refrigerated Condiment Rails, are an outstanding value in today's foodservice marketplace. Ample pan capacity provides space to keep your ingredients at the right temperatures. Focusing on the latest technology and high-quality materials and components, this unit offers reliable product temperatures, lower utility costs, and the ability to adhere to food safety standards.

**Model Features**

- 2" digits on digital display.

- Rounded interior corners for easy cleaning

**Cabinet Construction**

- Sturdy, stainless steel construction for durability and to resist scratches and dents.
- High performance polyurethane foam.
- Insulation thickness of 2" is more than that offered by most competitors
- Interior rounded corners for easy cleaning

**Refrigeration System**

- Factory engineered, self-contained cold wall system using environmentally friendly, CFC-free R134a refrigerant.

**Electrical**

- Unit completely pre-wired at factory and ready for final connection to a dedicated outlet
- Cord and plug included
- 115VAC/60Hz/1PH 15amp

**Warranty**

- 2-year Warranty on parts and labor
