

One-Piece Walk-Ins

Explore Everidge’s ICS stand-alone cold storage walk-ins—space-saving outdoor units which easily expand your refrigeration and freezer options. With flexible designs to suit your business space, each one-piece controlled-temp solution can stand alone as a satellite unit and free up indoor space. These free-standing walk-ins arrive ready-for-use—pre-assembled and fully operational, with customizable finishes to match existing building exterior.

Designed specifically to meet the needs of **convenience stores, sporting venues and other foodservice institutions**, the ICS one-piece walk-in concept represents the best in economical, practical, and versatile outdoor refrigerated structures, accommodating your freezer, cooler, or dry storage needs instantly as your business grows, builds, or remodels – all without complicated planning and costly construction.

EASIER COOK-CHILL PROCESS

Improve the Overall Safety of the Food You Serve

Walk-ins provide a more controlled refrigeration temperature that can be regularly monitored and adjusted based on your inventory.

Improve The Overall Quality Of The Menu Items You Prepare

Walk-in coolers allow operators to keep a larger inventory of fresh vs. frozen menu items at exactly the right temperature.

Let Everidge Handle All of The Work

Our ICS one-piece walk-ins arrive pre-assembled and fully constructed. Once installed, our walk-ins are ready to begin cooling in just a few short hours.

CLASSIFICATIONS & APPROVALS

All Everidge ICS walk-in units are approved under numerous classifications, providing our customers with total peace of mind over perishable inventories:

- EISA-compliant
- NSF-certified
- U.L./Class 1-listed urethane foam insulation
- USDA-approved materials
- UL/ULC electric
- Hurricane and seismic loading
- Meets the certification standards of multiple U.S. state and Canadian licensure and compliance codes including Dade County, Florida

Product Highlights

Simplicity

- Full factory pre-assembly
- On-site 3- to 5-hour installment
- Ready-to-run refrigeration
- Everidge team start-up support
- Easy to relocate if needed

Efficiency

- Cost-effective—no brick-and-mortar construction needed
- Energy-efficient—EC motors on all evaporator fan blower coils
- Built-in Smart Defrost energy controls
- Split system capability: ½ to 6hp, up to 40hp
- High-efficiency, energy-reducing insulation
- Maintenance-free finish

Safety

- Seamless construction: non-HCFC insulation
- Innovative pre-coated Sanisteel walls and floors: 24/7 NSF-certified antibacterial defense

Outdoor-Suitability

- Weather-proofed for snow loads, rated for Seismic category D and 170 mph hurricane winds
- Code-compliant for U.S. and Canadian standards
- 15-year materials and workmanship warranty, 1 year on doors
- Tough, stucco-embossed metal exterior finish with factory baked-on polyester coating

Flexibility

- Sizes: 6' x 6' to 14' x 50'
- Storage options: cooler, freezer, ambient, combo
- Temperature range: -30°F to +80°F
- Insulation thicknesses: 4", 5" or 6"

Customizability

- Variable mounts, coils and condensing units according to application needs
- Styled-to-order exterior finishes to match community requirements: architectural panel, brick, stone
- Flooring, controls and insulation levels tailored to suit application

PARTS & ACCESSORIES

All Everidge walk-ins are available with a comprehensive range of accessories, allowing us to tailor your walk-in to suit the exact needs of your specific application and location.

Add the following to create the precise look and functionality required:
