

# WALK-IN COOLER/FREEZER MAKEOVERS **Any Brand From Start to Finish**

## DOES YOUR WALK-IN LOOK LIKE THIS?

Damaged and deteriorated walk-ins promote the growth of harmful bacteria, that cause food spoilage and increase your energy bills. Now, it is easy to restore any manufacturer's walk-in, any brand – we handle it every step of the way®.

**Building or remodeling a store? We also offer new walk-in packages. Call us today for a free evaluation.**

## ULTIMATE MAKEOVER CAN MAKE IT LOOK LIKE THIS.

### 8 Steps to an Ultimate Makeover

1. Call your Everidge Rep at the number below. They will walk you through the process.
2. Take photos of your current unit, showing each surface, interior and exterior.
3. We work with you to evaluate what you need to repair/refurbish.
4. We estimate the cost.
5. Our approved installers measure your existing unit.
6. New parts are manufactured to your specifications.
7. Our approved installers replace all of the parts.
8. Complete the work.
