

## THE FEEDING AMERICA ENTERPRISE SOCIETY

It is a staggering number: 40 million people in the United States face hunger. That means that in every county and in every community, there are families, children and seniors who may not know where their next meal will come from. Right now, someone you know could be struggling with hunger and its potentially devastating consequences.

You and your employees have the power to make a difference. The **Feeding America Enterprise Society** consists of entrepreneurs and businesses that are helping to drive awareness and make an impact on the issue of hunger. **By joining the Enterprise Society, you will join a national community of professionals working to help solve hunger.**

Businesses will be invited to join the Enterprise Society when they contribute or pledge \$10,000 or more annually to Feeding America. Even more, your contributions can be doubled as part of Feeding America's partnership with Tony Robbins in the 1 Billion Meals Challenge. That means every \$1 donated can help provide 20 meals\* to people in need.

Thank you for your support of Feeding America and commitment as a business professional to provide food and hope to our neighbors in need.

**Together, we can solve hunger.**

*\*Every \$1 donated to Feeding America, when matched as part of the 1 Billion Meals Challenge, can be doubled and help provide at least 20 meals to people facing hunger through the Feeding America network of food banks.*

## OUR IMPACT

Despite high levels of food insecurity, Feeding America has a vision for a hunger-free America and a plan to realize that vision. As individuals, charities, businesses and government, we all have a role to play in getting more food to people in need.

**46 MILLION**

Americans served annually including 12 million children and 7 million seniors

**1.5 BILLION**

pounds of fruits and vegetables are sourced by the network

**4.3 BILLION**

meals are provided each year to people in need

**200**

food banks are in our network

We source and distribute at least

**10 MEALS**

for each \$1 donated

**2 MILLION**

volunteers help carry out our vision for a hunger-free America

## WE NEED YOUR SUPPORT

Businesses have an important role to play to make sure Feeding America meets the needs of families across the country and helps them find the strength to move forward and to flourish.

As a member of the Enterprise Society, you'll maximize the impact of your support by inspiring your employees, clients and other businesses to join the cause. And, to fight hunger in your own community, Enterprise Society members can engage with their local Feeding America food bank through food and fund drives, employee volunteer days or by hosting and/or sponsoring a local event.

We are deeply grateful for all you do to combat hunger across the nation and in your own communities.

**Together, we are Feeding America.**
