Stainless Steel products provided by ROOFINOX®. Colors are as close to the actual colors as modern printing allows. Metal color chips are available on request (this is a requirement for all premium colors) and should be used for final color selection. If you have requirements or preference for colors or finishes other than shown, please contact us. Color availability varies by material, gauge and profile. We reserve the right to modify, eliminate and/or change our products without prior notification. All colors are produced under stringent guidelines and tolerances that are identified within the coated metal industry. Batch to batch variations may occur within these established industry tolerances. Care should be exercised by customer when mixing lots. Contact us for more information.
