

## PrepRite PBF20.1

# THE COMPACT POWERHOUSE FOR SEAMLESS CHILLING

Redefine Efficiency, Maximize Space, and Simplify Installations!

### Dual-Sided Application

Maximize kitchen potential with PBF20.1's large capacity. It fits any space, new or existing, with a self-contained system that saves time and cuts costs. Choose PBF20.1 for a smarter, streamlined solution!

### Installation & Service

Pre-charged with refrigerant, the PBF20.1 is installation-ready right out of the box. Simple electrical connections make setup fast—connect and start chilling instantly. Boost efficiency with a system that's easy to install and operate.

### Operators & Managers

Transform kitchen workflow with PBF20.1's spacious design. Roll your existing oven cart directly inside, saving time and space. This compact unit boosts productivity, integrating seamlessly for unmatched efficiency in tight spaces.

- Pan Count
- Chill Capacity

- Freeze Capacity
- Dimensions
