

Professional, Reliable, & Versatile Mobile Coolers / Freezers

Introducing our innovative mobile cold storage solutions, engineered and designed to meet your specific cooling and freezing needs. Whether you're in the food industry, pharmaceuticals, or event management, our units offer unparalleled performance and flexibility.

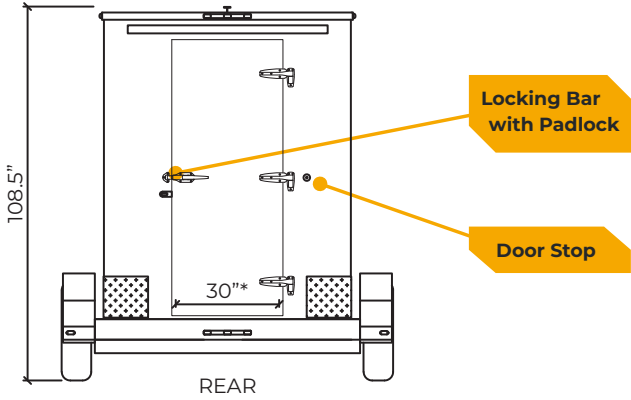

Why Choose Everidge Mobile Cold Storage Solutions?

- **Configurations:** Standard 6'x8', 6'x12', 6'x16' with 30" or 48" heated threshold door. Custom configurations upon request.
- **Superior Technology:** Designed and engineered as cohesive units in our Virginia and Kansas plants. Our chassis are exclusively manufactured for Everidge. The refrigeration system has a digitally adjustable range of 0° to 50° for temperature holding.
- **Durability:** Constructed with high-quality materials to withstand various environmental conditions while maintaining reliability.
- **Safety Torsion System:** Incorporates the structure and chassis into a cohesive unit. It provides torsional rigidity and resistance to shear stress around the total perimeter of the unit.
